Welcome to the IU McKinney Family!
Congratulations, you’re admitted! Now what?

☐ Join Admitted Student Instagram Page
The McKinney Class of 2025/2026 Instagram page gives you the opportunity to get to know your future classmates! Additionally, you will receive important information on what’s happening at the law school. Get a pair of McKinney socks for joining the page!

☐ Attend Admitted Student Events
An important part of the decision-making process is a visit to the school. All admitted students are strongly encouraged to attend a McKinney Admitted Student Day, held monthly January-April. You will hear from the Dean, learn about our supportive atmosphere during our student success panel, have a Q&A with current students, and tour the law school. Virtual opportunities to hear from alumni will be offered throughout the spring as well. Visit the Admitted Students Events section of our website for dates and to register.

☐ Submit IU Graduate CAS Application
In order to create your university identification, the university requires the completion of a short application. The university identification is necessary for packaging financial aid, determining residency for tuition purposes, course registration, and setting up university network accounts.

☐ Review Options for Financing Your Legal Education
If you were selected to receive a merit award it is stated in your acceptance letter. To be considered for donor-funded scholarships, you must submit a scholarship application. Additional financing options are outlined on the Financing Your Legal Education page of our website.

☐ Enroll in MAXonline
MAXonline, a program through AccessLex, is your personal finance program developed exclusively for law students. Tools, advising, and scholarships are available through participation in this program.
