### Options for Financing Your Legal Education

**MERIT BASED FEE REMISSIONS:** IU McKinney Law awards renewable (pending a GPA requirement is met) merit-based fee remissions to entering 1st year students. All entering students are considered for these awards upon admission; therefore, no separate application is necessary for the merit-based fee remissions. If applicable, your award will be listed in your admission letter.

**DONOR FUNDED SCHOLARSHIPS:** There are a number of donor-funded scholarships that are awarded to entering 1st year students. To be considered, a scholarship application should be submitted after submitting the application for admission.

**KENNEDY SCHOLAR AWARD:** This prestigious award includes a renewable full tuition scholarship (pending a GPA requirement is met) and an annual stipend for living expenses. A trip to Washington, D.C. to visit the Supreme Court while in session is also included. Applicants who apply by February 1 and possess at least a 3.50 GPA and a 90th percentile LSAT score will be given preference for this distinguished award. Recipients are selected by the law school scholarship committee.

**LAW SCHOLAR AWARDS:** IU McKinney has partnered with select undergraduate institutions to create an award that recognizes top students from those schools. Upon a nomination from their school, 1-2 recipients will become their school’s Law Scholar/Fellow and receive a half-tuition fee remission award and a guaranteed experiential learning opportunity. To see if your school qualifies, visit: [http://mckinneylaw.iu.edu/admissions/jd/financing-your-education/school-partnerships.html](http://mckinneylaw.iu.edu/admissions/jd/financing-your-education/school-partnerships.html). To be considered you must be admitted by 4/1/2019.

**MIDWEST STUDENT EXCHANGE PROGRAM:** IU McKinney recognizes that going out of state for school can be expensive. That’s why our campus decided to participate in the Midwest Student Exchange Program (MSEP) - a multi-state tuition reciprocity program. Through the MSEP, public institutions agree to charge residents of Illinois, Kansas, Michigan, Minnesota, Missouri, Nebraska, North Dakota, Ohio, and Wisconsin no more than 150% of the in-state resident tuition rate for the J.D. program. If applicable, the award will be listed in your admission letter.

**ICLEO:** ICLEO (Indiana Conference for Legal Education Opportunity) is a state-based program that helps students from historically underrepresented backgrounds pursue a law degree and a career in the Indiana legal community. Selected students participate in the six week ICLEO Summer Institute the summer prior to their first year of law school, at no cost. When the participants complete the summer institute successfully, they are certified as ICLEO Fellows and will receive an annual stipend of $9,000 for up to three years upon enrolling in an Indiana law school in the Fall semester. For more information, visit [http://www.in.gov/judiciary/cleo](http://www.in.gov/judiciary/cleo).

**YELLOW RIBBON:** IU McKinney acknowledges the commitment our U.S. service members have made to our country; therefore, IU McKinney has elected to participate in the Yellow Ribbon program. This program allows the law school to award up to $23,000 for an academic year to students who qualify. For more information, please contact IUPUI’s Office for Veterans and Military Personnel at [http://Veterans.iupui.edu/](http://Veterans.iupui.edu/).

**FINANCIAL AID:** If you would like to apply for federal student loans, you must submit the Free Application for Federal Student Aid (FAFSA).

---

**Complete FAFSA & Secure Financial Aid**

Complete the Free Application for Federal Student Aid (FAFSA), available in October, online at [http://www.fafsa.gov](http://www.fafsa.gov). Be sure to list IUPUI using School code 001813.

We recommend that you submit your FAFSA after January 1, after your tax return is complete. The annual filing of the FAFSA is required if you are looking to use federal student loans ([studentaid.ed.gov](http://studentaid.ed.gov)) to assist with the costs of attending law school.

Questions? Contact Kenneth Nieman, Assistant Director of Financial Aid, at lawaid@iupui.edu or 317-278-2880.

The American Bar Association (ABA) requires this transcript to be part of the student’s permanent file.

» Please request the undergraduate institution to send this official copy of your final transcript directly to LSAC to update your CAS report.

» You may also request the degree granting institution to mail an official copy of your final transcript directly to the Office of Enrollment Management. Please have transcripts mailed to:

Registration
Registration for incoming first-year students will begin in mid-July for admitted students who have completed the graduate application and do not have holds on their accounts. Full-time (day) students will be split equally between two sections (A or B) and will register into the appropriate course sections. All evening students will register for the same evening core curriculum. You will receive registration instructions at the appropriate time. Once you register for classes, your schedule will appear in the Student Center in One.IU. Current class & exam schedules can be found at http://mckinneylaw.iu.edu/students/schedules.cfm.

First Assignments and Textbooks
You will be able to view your first assignments, books and class information under Canvas in your One.IU after you are registered for classes. The availability of this information depends on your individual professor. Do not be alarmed if this information is posted right before classes begin. Many professors have a purpose for not making this information available sooner. Check Canvas frequently for updates.

When you are ready to purchase textbooks, they will be available at the IUPUI Barnes and Noble Bookstore located in the Campus Center. View store hours via this link: http://iupui.bncollege.com/. You can also purchase your books online or through resale vendors.

Get Your CrimsonCard (Student ID)
Once you are registered for fall classes, you can get your CrimsonCard. You will need to go to a CrimsonCard office on campus to get your card. Offices are located in the Campus Center at 420 University Boulevard or the Informatics & Communications Technology Building at 535 W. Michigan St. Please see crimsoncard.iu.edu/about/office-locations.html for current office hours.

Please bring a photo ID with you. For more information on CrimsonCard, go to crimsoncard.iu.edu.

Purchase your Parking Permit
If you are planning to park on campus you may purchase your parking permit starting July 15. You must be registered for fall classes in order to purchase a permit. Permits can be purchased online from Parking Services at http://parking.iupui.edu.

Additional Resources
Veteran Affairs: The Office for Veterans and Military Personnel is a great resource for GI Bill Benefits, Educational Benefits Counseling, On-campus Readjustment Counseling, Military Activation assistance, Information on Health Care Enrollment Benefits through the VA, Employment and Tutoring resource, and Social Networking with other veterans for all students. Please go to http://veterans.iupui.edu/ for more information about the Office for Veterans & Military Personnel.

Adaptive Educational Services: Often disabilities are grouped as Physical Disorders (auditory, visual, orthopedic, chronic illnesses, or systemic neurological disorders), Learning Disorders (dyslexia, ADD/ADHD, disorders of written expression, dysgraphia, autism spectrum disorder, etc.), and Emotional Disorders (affective disorders, thought disorders, behavioral reactions, etc.). Accommodations vary from individual to individual so you must provide documentation about each disability. IUPUI has designated Adaptive Educational Services (AES) as the office to receive and evaluate documentation, determine appropriate accommodations or services needed. For more information please go to http://aes.iupui.edu/services.html.

Housing: We do not have any on campus housing options available nor do we have any partnerships. There are a number of apartments located near the Law School. You can find a list of these on the Admitted Student page on our website. We do not do room matching. You will be invited to join a Facebook page for incoming 1Ls and many students will connect through that page or admitted student events. If you are looking for a roommate that is the best opportunity.

Information for International Students
The Office of International Affairs
The Office of International Affairs (OIA) is the hub of international activities at IUPUI. After you have completed the IUPUI Graduate Application you will begin working with OIA regarding your visa paperwork. OIA will reach out to you via email to let you know if they need any additional documentation. You will also be given access to iStart, see below, in order to check your international application status.

If you reside outside the United States, do not begin scheduling your travel until OIA has finished fully processing your application and lets you know to do so. You should familiarize yourself with their orientation page, http://international.iupui.edu/after-admission/orientation/index.html, as this will provide information regarding vaccination requirements for international students and the English for Academic Purposes (EAP) Placement Test that some international students are required to take. If you are required to take this test, you will be informed in the admissions letter you receive from OIA.

iStart
This is the web portal for the Office of International Affairs that enables international students to complete many essential steps to come to and stay at IUPUI. You may access iStart once you have received your admission to the JD Program. At that time, you will receive an email from OIA with your limited Access PIN. Through iStart you are able to upload materials for your application for admission, complete forms, and get up-to-date information about your case status. If you run into any issues with iStart you can reach out to the Office of International Affairs for assistance.
