To make monetary donations, select the "DONATE" tab, located under the IU McKinney profile photo and "JOIN TEAM" tab. Your support of Gleaners will have a huge impact on many of our neighbors. Any gift, big or small, can make a difference. A gift of just $1, could help feed up to 5 people! With your support, together we will help Gleaners lead the fight against hunger!

**Gleaners Food Bank of Indiana** was founded in 1980 by concerned citizens who had a simple yet profound vision: No one in Indiana should suffer from hunger and malnutrition. Gleaners' mission is to lead the fight against hunger in central and southeast Indiana by collecting, storing, and distributing food to those in need. Gleaners distributes food to hungry Hoosiers through a network of over 250 partner agencies including emergency food pantries, soup kitchens and shelters.
