

Dear [First],

Welcome to IU Robert H. McKinney School of Law! We're looking forward to seeing you on campus.

***Please read this email in its entirety before proceeding to register.***

You will need the five class numbers **bolded** below to register in [Student Center](#):

| Subject | Cat # | Class                   | Class # | Instructor | Days | Start Time | End Time |
|---------|-------|-------------------------|---------|------------|------|------------|----------|
| LAW-N   | 541   | Torts                   |         |            |      |            |          |
| LAW-N   | 520   | Legal Comm & Analysis I |         |            |      |            |          |
| LAW-N   | 707   | Civil Procedure I       |         |            |      |            |          |
| LAW-N   | 528   | Legal Research          |         |            |      |            |          |
| LAW-N   | 700   | Responsible Lawyering   |         |            |      |            |          |

\* For the first four weeks, Legal Communication and Analysis I meets on Mondays from 6:50-7:50 PM and Thursdays from 8:00-9:00 PM. Thereafter, LCA I meets *only* on Mondays from 6:50 to 7:50 PM.

**\*\*There is no meeting day/time conflict between these courses because the courses meet during different date ranges.** Legal Research meets 8/21 through 10/02/25. Responsible Lawyering meets 10/3 through 11/13/25. Further details regarding the meetings of LCA I, Legal Research, and Responsible Lawyering will be shared by your professors the first day of classes.

## Registering

To load your cart and register, you will need to sign in to <https://one.iu.edu> with your IU credentials and Duo authentication. Follow the video instructions in this [video](#) to learn the process to add classes to your shopping cart and to enroll. If you prefer written instructions for each step, you will find them [here](#).

**When you are ready to register, use the search bar at the top of one.iu.edu with the search term "cart" to find the Enrollment Shopping Cart tile and select it.** The tile looks like this:

## Notes

- Before you attempt to register, please check for holds on your record that may prevent registration by following this [link](#). If there is a hold, the reason, the department that issued it,

and who to contact will be displayed. Holds typically clear 24 hours *after* taking corrective action. **An immunization hold will *not* prevent registration.** However, you are still required to comply with [IU immunization policy](#) and state law. The link in the previous sentence provides very helpful information on immunization compliance. You'll need to log into [Med+Proctor](#) with your IU user ID and password to submit your records. If you have any immunization-specific questions or experience technical issues with Med+Proctor, please reach out to this address for assistance: [indyimm@iu.edu](mailto:indyimm@iu.edu).

- LAW-528 Legal Research displays as 1 credit in the McKinney Course List because the system is not able to display 0.5 credits. When you register in Student Center, you will see that the course is 0.5 credits. The same is true for LAW-700 Responsible Lawyering.
- **The McKinney [Class Schedule](#) and [Course List](#) (same information, different views: calendar and course catalog, respectively) are the authoritative source for room locations.** Room locations in Student Center (the registration system) may not be correct. *Please double-check room assignments the day before classes begin* as changes may have occurred. Maps of each floor are located near the North elevators.
- **After registering, confirm your registration by viewing your class schedule.** Watch an instructional video: [How to View Your Class Schedule](#).
- More helpful [Student Center Videos](#) for reference.

## Textbooks

- **Important: Please DO NOT purchase textbooks for your Legal Communication and Analysis I course until you have attended your first class.**
- Textbook information may be found in two places: Canvas (our learning management system), and the IU Schedule of Classes.
  - After you have registered, please access your **Canvas** classes by searching for “Canvas” in [one.iu](#). Important book information may be provided there by your instructor. Canvas sites should be published by the first day of classes. If you don't see anything for a class in Canvas that you see in your class, please contact the instructor.
  - At any time, view the **IU Schedule of Classes**. In [one.iu](#), search for “schedule,” then select this tile:
